OUR PRESIDENT

FLOYD
P.
BAILEY

Back from his trip around the United States, President Floyd P. Bailey sat down at his familiar desk, at the start of the school year, to perform his job of keeping the affairs of our campus, our 60 faculty members, and more than 1000 students functioning smoothly.

Pages and pages full of words could be, and have been, filled singing the praises of his cheerful smile, his friendly manner, his work well done, and his always helping hand. We do not have the space, or the skill to do justice to President Bailey's merits with words. We feel it is enough to say, "Our President, Floyd Bailey, is Santa Rosa Junior College."

Providing for our noon time pleasure, these boys play all the latest records. Every lunch time, when the sun is shining, these boys could be found in the book store spinning discs.

Jim Holmes, at the left, served as our winter disc jockey. Beneath is the picture of Ken Jamison who gave up his time during the Spring to let us listen to the latest in the music world.

CLUB

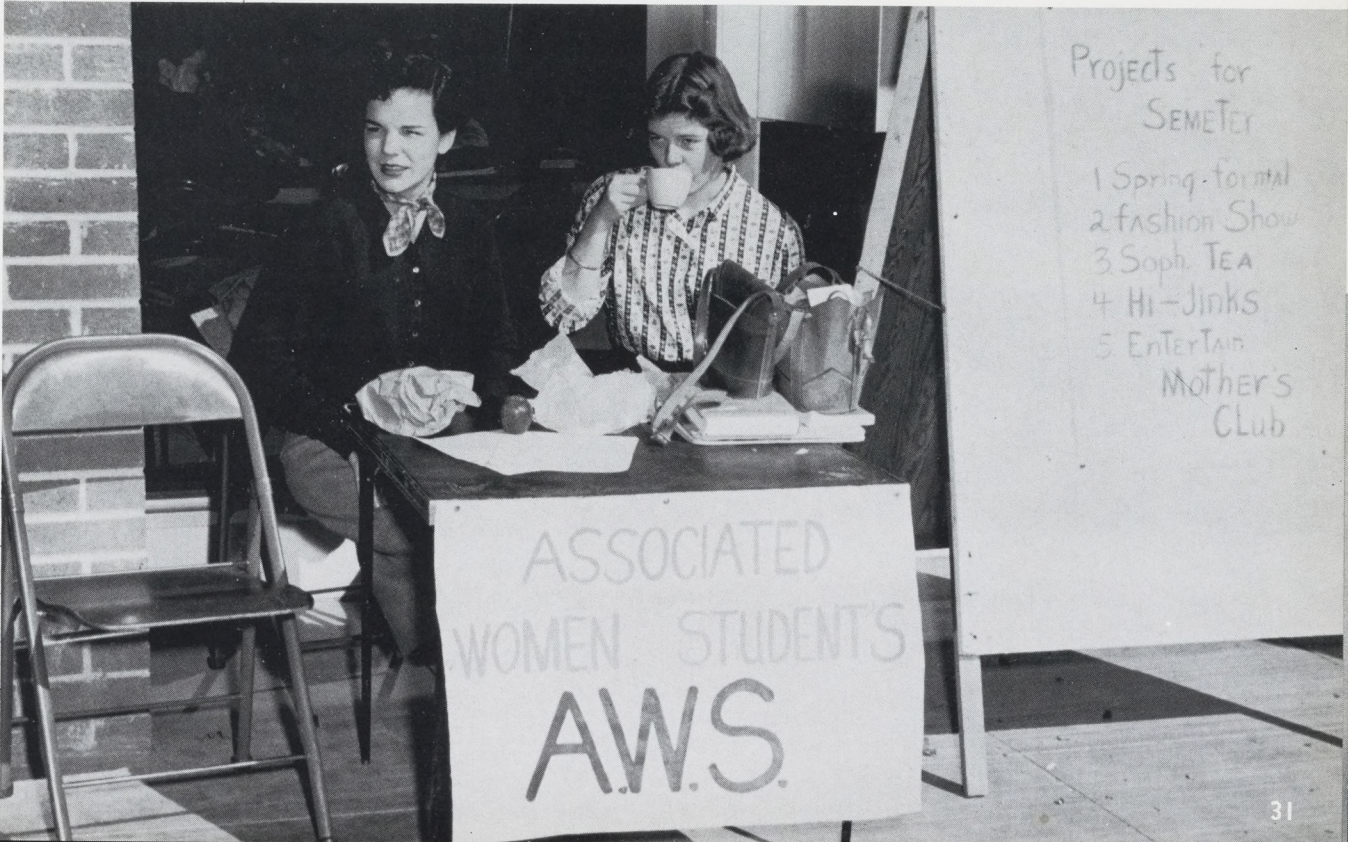

Once a Semester a day is set aside for the clubs. It is called "Club Day." That is the day when all clubs on campus are in their glory.

They set out posters, exhibits, and demonstrations. Now is the time for all members of the Student Body to look over what is on display, and to decide which clubs to belong to.

Our Queen, Donna, was elected from a group of fifteen candidates who were chosen from the clubs to which they belong. The candidates were presented to the student body at a special assembly and Donna DuVander was elected. Donna was crowned on October 8, at the Coronation Ball.

HOMECOMING

The annual chicken barbecue had its usual large crowd to help eat up all the wonderful food. Even a little drizzle of rain did not dampen the spirits of the crowd.

With such a large crowd in attendance, two dances were held for Homecoming. Here in the Co-op a group of alumni go stepping and visit with their old school-mates.

BEAR CUBS vs SAN JOSE

Sept. 24, Rankin makes yardage against San Jose.

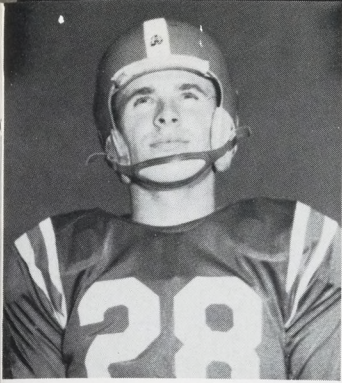

The Bear Cubs opened the season by defeating San Jose 7 to 0. With the score tied at halftime, it could have been anyone's game. Late in the fourth quarter Don Bossert, a star fullback from '53, scored the only T.D. then split the uprights for the extra point.

BEAR CUBS vs EAST CONTRA COSTA

The Vikings of East Contra Costa spoiled the Bear Cubs bid for a second straight win by defeating them 13 to 7. Del Mobley worked the ball nicely 40 yards to the seven where Bill Rankin went over for the score. The ball changed hands frequently in the second half, but the Cubs could not penetrate the Vikings' goal line. Despite the defeat, the Cubs showed fine teamwork.

BEAR CUBS vs MODESTO

Making his first start of the season, Gary Modrell sparked the Cubs to an uphill 19 to 18 win over the Pirates. Early in the first quarter, Modrell intercepted a pass on the 30 and raced untouched to score. Don Bossert blocked a kick and Marvin Mays recovered on the 10. Bill Rankin drove to the five and Modrell went in for the score. In the fourth quarter, trailing by five points, Modrell fired a long pass to Charlie Brooks and three plays later Bossert scored the winning T.D.

BEAR CUBS vs SAN MATEO

The Cubs scored five times on long runs to defeat San Mateo 35 to 20 before 3,000 homecoming fans. On the Cubs' first pass from center Bill Rankin raced 79 yards for a TD. Jim Coon ran the second touchdown over from the three. Trailing 20 to 14, Gary Modrell threw a screen pass to Elmer Olson with Mike Mullahey, John Hilfiker, and Eugene Fletcher exhibiting beautiful down field blocking. Olson weaved 48 yards to score. Uselton added to the score by racing 47 yards to pay dirt.

BEAR CUBS vs WEST CONTRA COSTA

The determined Comets, on their way to the league title, defeated the Cubs 20 to 6. The Comets' speedy backs broke through for large gains during the contest. The Cubs, outplayed the Comets and left the field at halftime leading by a score of 6 to 0. After a series of plays from the Cubs' own 43, Elmer Olson and Ken Uselton worked the ball down to the Comets' 11 where Myron Nevraumont took a short pass from Del Mobley for the only score. The Cubs threatened the Comets several times during the second half, but could not cross the goal line.

BEAR CUBS vs SACRAMENTO

Exhibiting the best offensive and defensive drive of the season the Cubs whitewashed Sacramento 59 to 0. The Cubs could do nothing wrong and the Panthers could do nothing right. On the third play, Gary Modrell passed to Mel Powel on a successful 70 yard touchdown play. This started the ball rolling. The backfield "flipped coins" to see who would score next. Fred Farquar, Ken Uselton, Chet Hammamoto, Russ Barrett, Del Mobley took part in the scoring exhibition.

BEAR CUBS vs STOCKTON

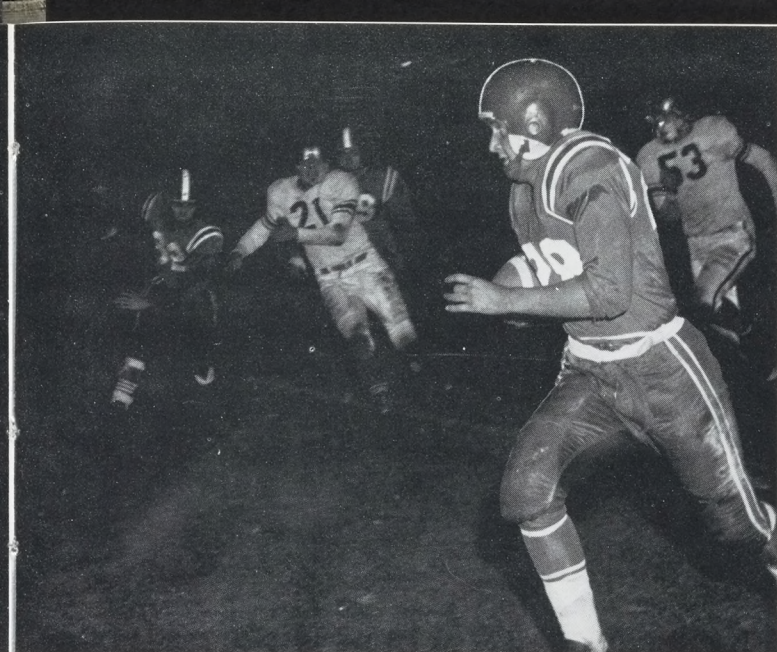

The Bear Cubs ran over the Mustangs by a score of 34 to 7. Gary Modrell scored the first touchdown for the Cubs in the first quarter from one yard out. Ken Uselton and Bill Rankin scored in the second quarter. The first came when Del Thomas intercepted a pass on his own 26 and raced 75 yards to pay dirt untouched. Jim Eaglin, after intercepting a pass on the 25, went over from the seven.

The Cubs proved their ability by edging the Rams of City College of San Francisco for a 14 to 12 win. It was a hard fought game and the competition was rough. Both teams left the field at half time unable to score against each other. The Cubs returned to the game determined to win. The ball was worked down to the Rams' eight yard line where Del Mobley outran the Rams' backfield to score. Don Bossert's kick was good. Later Bill Rankin scored after a 62 yard drive. Bossert's kick was again good. The victory gave the Cubs a tie for the Big Seven Conference crown with W.C.C. by virtue of the season's record of five wins and one loss.

CHANATE HALL

In July, 1942, a joint effort of the Santa Rosa Junior College and the Sonoma County Hospital was made to establish a school of nursing. From a starting class of six people (who, incidentally, were housed in Mr. Bailey's home) their effort has grown to a school of fifty-three students.

The Santa Rosa Junior College School of Nursing has a three year program which includes college classes at the Junior College and residence as well as ward experience and instruction at the County Hospital.

In 1945, a long modern brick building was constructed on the hill, amid the tall Eucalyptus trees, behind the Sonoma County Hospital. Here the students live, work, study, and play. The Hall is equipped with its own medical library which is essential for the education of a student nurse.

Every March, Chanate Hall is a place of buzzing excitement and nervous joy; for at this time of year those of the Freshman class have earned the privilege of wearing a cap. A solemn and picturesque ceremony takes place as the girls receive the distinguishing mark of every nurse—a white cap.

In September a second step is added to the ladder of the Student Nurses. A single black velvet stripe is placed on the left corner of the cap. The girls are now junior students and well along the way in their nursing education. March soon rolls around again and this time it is capping for the Freshmen and also half-way time for the Juniors.

June brings graduation from Junior College; and the following September another velvet stripe is placed beside the first. Eight months later the class again receives diplomas, but this time they are clad in white uniforms and cap instead of the traditional mortar board and flowing gown.

SONOMA COUNTY HOSPITAL

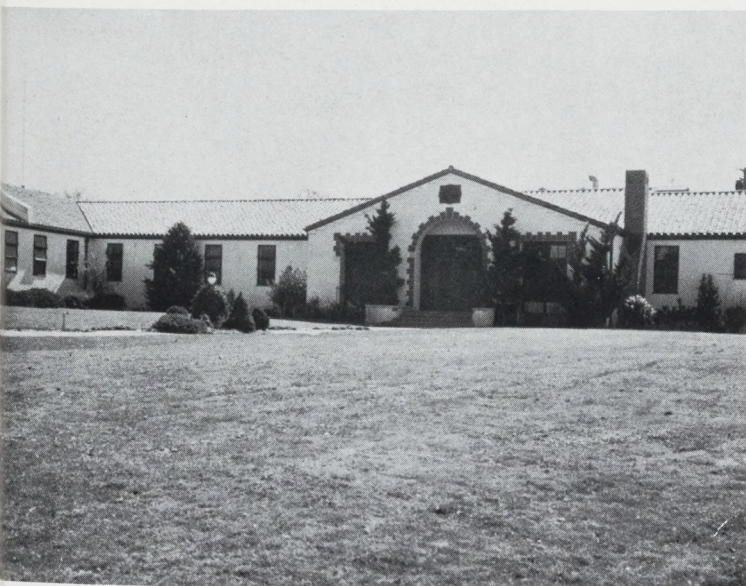

The Student Nurses take their training at the Sonoma County Hospital. We have affiliations with St. Mary's Hospital in San Francisco; Herrick Hospital in Berkeley; and Agnew's Hospital in San Jose.

The Sonoma County Hospital might be called our "home hospital." It offers training in Medical and Surgical Nursing, Orthopedics, Pediatrics, and Tuberculosis, including many other medical specialties.

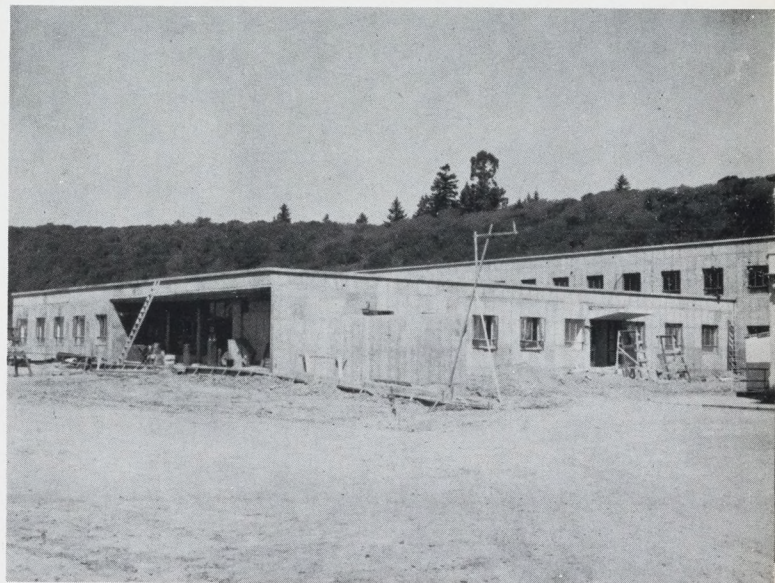

This institution maintains 185 beds in the acute division and 106 beds in the Tuberculosis division which is Oak Knoll Sanitorium. At the present time construction is near completion on a new wing which is to house the chronic patients.

Needless to say, we are very proud of our hospital and are happy with our choice of both nursing school and hospital.

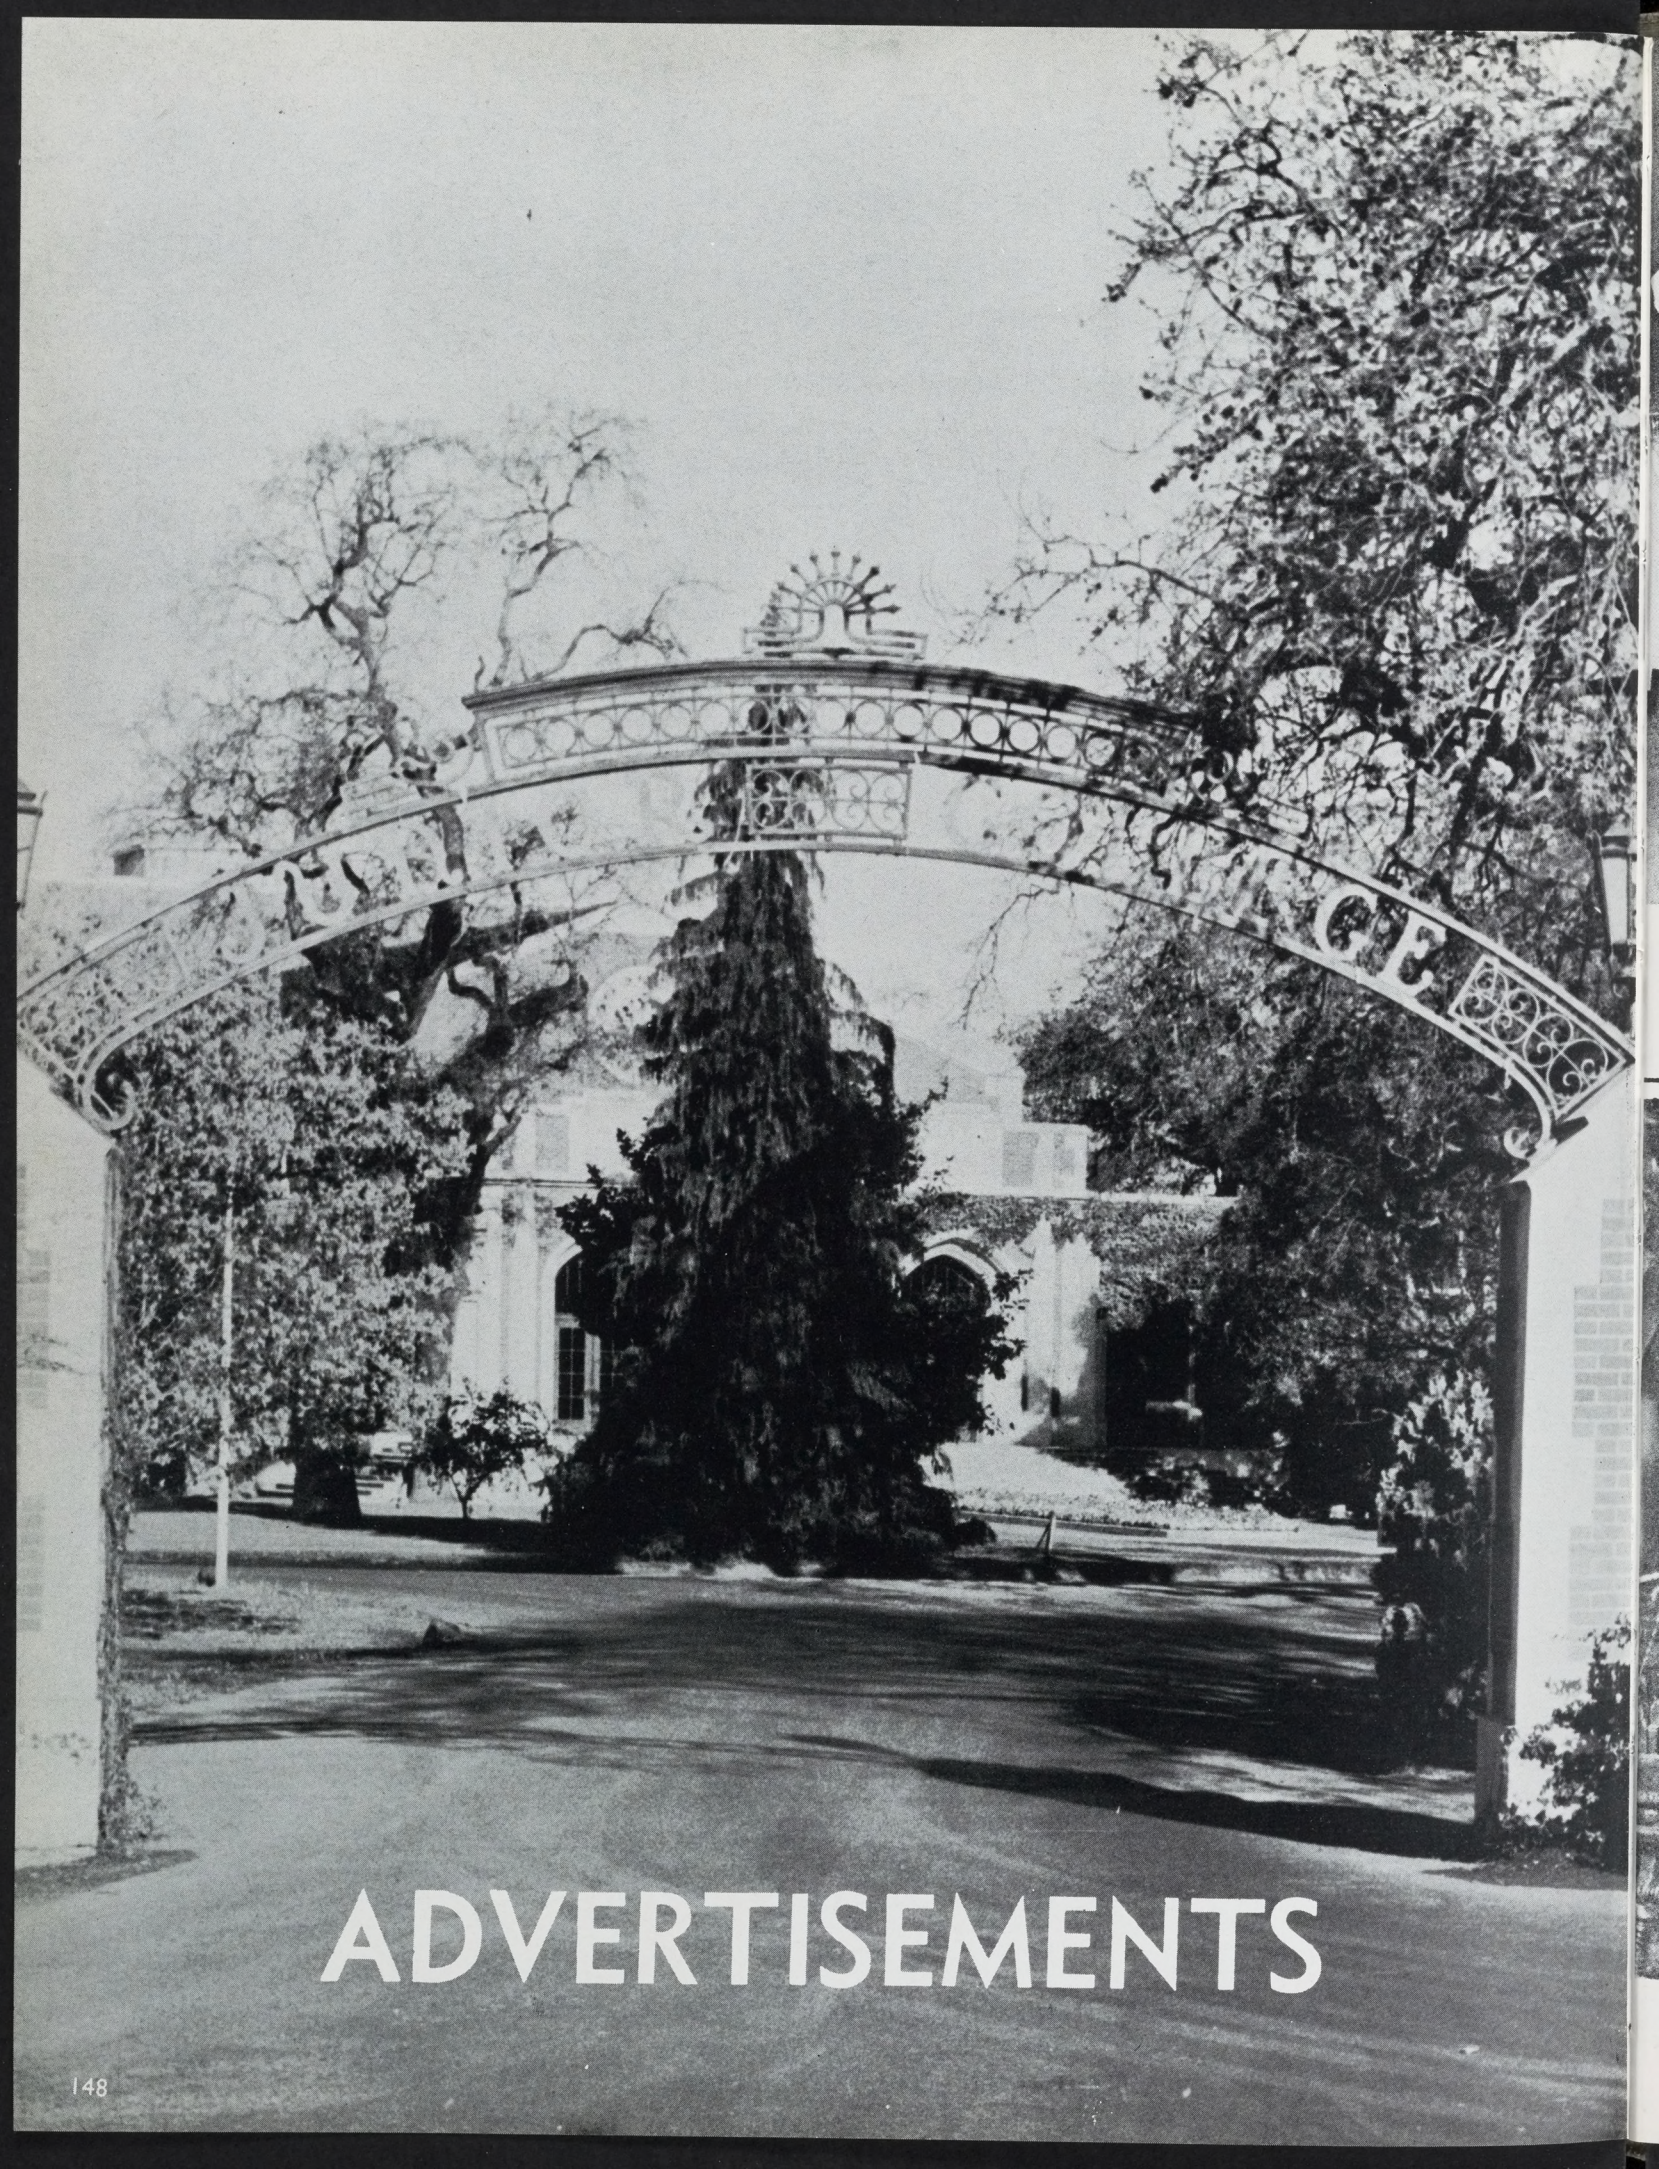

This is our territory, too!
